Continuation of Substance of Interview including description of the general nature of what was discussed: The changes to claim 59, as set forth in the examiner's amendment, were discussed and agreed upon to amend claim 59 as the claim was understood by the examiner in the examiner's reasons for allowance of the prior office action and to therefore overcome the Stewart reference and place the application in condition for allowance. The change to claims 60 and 63 were discussed and agreed upon to provide additional clarity and overcome potential 112 rejections and/or claim objections. .
